Can't wait to discover our new giant artwork ?

We have some new little projects to keep you occupied and to allow you a pause with the squares ! « Knit a Smile » will participate on the « Lenen and artistic fibre » fair in early July. We will realise an installation with squares... and also **flowers** ! If you want to participate to this new challenge, you can make your own textil flowers using yarn, cotton, lenen, fabrics, felt... A lot of technics and materials can be used ! If you need help to get started, take a look on our pinterest board : <http://pinterest.com/citemomes/vegetal/> We will also add a couple of DIY flowers on our website soon !

Don't like flowers ? How about fish scales ? We are going to make a giant fish for the « Côte à Côte » fair at the end of July ! You can make 10x10cm (4x4") scale in knitting, crochet, with patterns, embroidery, patchworks... Everything is possible ! You can also make little fishes using the technic you want ! You can find ideas on our pinterest board : <http://pinterest.com/citemomes/mer/> and soon on our website too !

You can then send us your flowers, scales and fishes at our address in France, with the « challenge form » which you can find on our website.

And also...

A new forum !

There is a new section on the website : the forum ! You have questions about how to make your squares, pompons or about the challenges ? You are looking for events or knitting club around you ? You want to show us your best creations ? You want to talk about Suzanne or the next project ? Share your information and questions on the forum ! It is here to simplify discussions between all the participants ! And we made a rubric specially for the English-speaking ! You can find it in the website menu or at this link : <http://tricoteunsourire.forumactif.com/f12-knit-a-smile-in-english>

Every week, we participate to a new solidary challenge, or knit a smile project. The longest scarf for the Marc Antonu challenge which help different associations against infantile illnesses, the making of layette for parents in difficulty... always working with our little knitted squares ! Every week has its challenge, that you can work on at home or at your clubs. In Rouen we will also work on it during our events and workshops ! We will keep you updated about all of these projects on our website, so stay tuned !

Thanks to everyone who already participate in our projects ! And it's not over !
